

Beautiful wedding cakes with a personal touch

I know that your wedding cake is one of the most important cakes you can order, so I will work with you to discuss exactly what you'd like to make your day extra special.

When you order a wedding cake with Laura's Kitchen Cakery, you're choosing a small business with a personal service that aims to be less intimidating than a larger wedding cake shop. I'll work with you to design exactly the cake you've always dreamt of, and then you can leave it with me, worry free.

Looking for a way to keep all your guests happy without compromising on quality of flavour or design? Have you considered a cupcake tower instead of a traditional wedding cake?

Cupcake Towers

This is a great way of feeding a variety of flavours to your guests, and makes for a really stunning centrepiece.

I can add custom touches to personalise your cupcakes, and tie them in with the theme of your wedding, and you could even top your tower off with a beautiful single-tier cake.

Wedding Consultations

Laura's
KITCHEN BAKERY
Keynsham

During your Wedding Cake Consultation, we take up to an hour to discuss all of your ideas and explain the wedding cake process. Please feel welcome to share any pictures, designs or stationary that have inspired your wedding, along with colour swatches, or any other detail that we might tie in to the wedding cake. I can also work with your florist to incorporate matching flowers on your cake.

The consultation is a great opportunity to talk about cake options in terms of size, shape, flavour, serving portions and decoration. Consultations are by phone or over Zoom.

Taste Testing

I will prepare up to three delicious sample mini cakes of your choice (no measly slices here - you get to take the whole mini-cake home to share with family and friends!), and they are nicely presented and packaged ready for you to collect from me, at a time to be decided during the consultation.

My Wedding Cake Tasting and Consultation costs £40 per couple and is payable when you schedule your appointment.

After your consultation meeting, I will provide you with a tailored quote based on our discussions. Should you decide to book your wedding cake with me, 50% of the consultation fee will be deducted from the final cost. Consultations must be scheduled at least 8 weeks before the wedding, and are subject to availability. In the unlikely event that you cancel your consultation with at least 48hs notice, I will offer an alternative date.

Flavours

I love baking new flavours and coming up with something that not only tastes great, but will keep everyone talking for months to come!

I have a list of flavours that I routinely make, but I am always open to something new, so if your favourite isn't on my list, please just ask!

Keynsham

Do you deliver and set up the cakes?

Yes I do!

The price for delivery and set up is calculated based on distance to venue and the complexity and time required to deliver and set up your cake. These costs will be detailed separately in your quote.

How and when do I pay?

I ask for a 50% deposit once the quote has been agreed. The remaining 50% is due 3 weeks before the wedding date.

Payment can be made by bank transfer using the details provided on your invoice.

Do you have cake stands to hire?

Absolutely!

I have quite the collection of stands and displays for wedding cakes and cupcakes. I charge a fully-refundable deposit that is returned to you once the stands are back with me in their original condition. The price for hire is based on the price of the stand - so for example, if a stand cost me £30 to buy, the deposit is £30. We can discuss this during your consultation.

What if I need to cancel or postpone?

I will, as far as possible, work with you if a wedding is postponed, subject to my availability and supplies, and sufficient notice.

Order *deposits* are only refundable at my discretion. I will, as far as possible, issue a full refund up to 4 weeks before the cake is due, after this time, costs for ingredients, consumables, business lost, or time already given to your order may be deducted from payments made, up to the full value of the deposit. If you cancel your cake order less than fourteen days before the delivery date, Laura's Kitchen Cakery reserves the right to retain all payments made or to present an invoice for the full cost of the order.
