Wedding Consultations

Laura's
KITCHEN CAKERY
Keynsham

During your Wedding Cake Consultation we take up to 40 mins to discuss all of your ideas and explain the wedding cake process. Please feel welcome to share any pictures, designs, or stationary that have inspired your wedding, along with colour swatches, or any other detail that we might tie in to the wedding cake. I can also work with your florist to incorporate matching flowers on your cake.

The consultation is a great opportunity to talk about cake options in terms of size, shape, flavour, serving portions and decoration. Consultations are by phone or over Zoom. I recommend checking out my guide prices and gallery ahead of the call.

Taste Testing

I will prepare six delicious sample mini cakes of my most popular flavours, nicely presented and packaged ready for you to collect from me. (they can also be posted for a £5 fee). I make my samples on 2-3 dates a year, so I will let you know when the soonest date will be during the consultation.

My Wedding Cake Tasting boxes are £20, and are a great way to choose which flavours you'd like for your cake!

After your consultation meeting, I will provide you with a tailored quote based on our discussions. Should you decide to book your wedding cake with me, 50% of the fee will be due to secure your date, with the final 50% due 1 month before your wedding date. Consultations must be scheduled at least 8 weeks before the wedding, and are subject to availability. In the unlikely event that you cancel your consultation, I will do my best to offer an alternative date.

Flavours

I love baking new flavours and coming up with something that not only tastes great, but will keep everyone talking for months to come!

I have a list of flavours that I routinely make, but I am always open to something new, so if your favourite isn't on my list, please just ask!

Do you deliver and set up the cakes?

Yes I do!

The price for delivery and set up is calculated based on distance to venue and the complexity and time required to deliver and set up your cake. These costs will be detailed separately in your quote.

How and when do I pay?

I ask for a 50% deposit once the quote has been agreed. The remaining 50% is due 1 month before the wedding date. I also offer payment plans if you'd like to spread the cost out into more instalments. Please ask if this is of interest to you.

Payment can be made by bank transfer using the details provided on your invoice.

Do you have cake stands to hire?

Absolutely!

I have quite the collection of stands and displays for wedding cakes and cupcakes. I charge a fully-refundable deposit that is returned to you once the stands are back with me in their original condition. The price for hire is based on the price of the stand - so for example, if a stand cost me £30 to buy, the deposit is £30. We can discuss this during your consultation.

What if I need to cancel or postpone?

I will, as far as possible, work with you if a wedding is postponed, subject to my availability and supplies, and sufficient notice.

Order *deposits* are only refundable at my discretion. I will, as far as possible, issue a full refund up to 4 weeks before the cake is due, after this time, costs for ingredients, consumables, business lost, or time already given to your order may be deducted from payments made, up to the full value of the deposit. If you cancel your cake order less than fourteen days before the delivery date, Laura's Kitchen Cakery reserves the right to retain all payments made or to present an invoice for the full cost of the order.

FLUFFY AND DELICIOUS!!

Laura made cupcakes for our wedding, they were beautiful. Decorated and arranged better than I had imagined. We had a few different flavours including Nutella, Biscoff and Lemon Curd they were light, fluffy and delicious!! To my disappointment our guests wanted to try all the flavours so there weren't very many left to take home! 🍷 Would definitely recommend Laura, her attention to detail and professionalism really made us feel confident and at ease in the run up to our wedding.

THE PERFECT WEDDING CAKE

We couldn't recommend Laura enough! We fell in love with her cakes as soon as we took the first bite! We tried several flavours and because we loved them all, we decided to have cupcakes alongside our small wedding cake. We only wanted a simple design, so we sent a couple of pictures and Laura put together the perfect wedding cake. All of the guests also commented on how amazing the cakes tasted. Communication was simple and easy with Laura, she always made sure she was thorough when asking what we wanted. We couldn't have asked for a better service, so thank you so much Laura!

TASTED OUT OF THIS WORLD!

Absolutely amazing wedding cake! Laura baked us an incredible wedding cake which looked amazing and tasted out of this world. I'm so glad we were able to choose and sample the different types of cake for each tier of our 3 tier cake. Laura even introduced us to Hummingbird Cake which we fell in love with and had as our bottom tier. Our guests really enjoyed the cake too.

HIGHLIGHT OF OUR WEDDING PLANNING

I am so so so pleased we picked Laura to make our wedding cake. She was an absolute delight to work with and our cake was not only stunning but was absolutely delicious. Trying her cake samples were a highlight of our wedding planning and the wedding cake was even tastier.

Laura was so thoughtful and messaged us with a slight design tweak the week before our wedding when the forecast ramped up to highs of 34°C temperatures which are a challenge for any buttercream cake and I think it looked even better for the tweak. I really appreciated how thoughtful that was - to ensure our cake looked it's very best even on a scorching day!

And lastly Laura is just a pleasure to communicate with, she's passionate about her baking and a lot of love goes into her cakes. I couldn't recommend her enough.

INCREDIBLE

We ordered a wedding cake from Laura and it was incredible. She worked with us to create the design of the cake and she got it spot on. The cakes themselves tasted amazing and everyone loved them. She was also really well priced compared to other companies and she also gave a really nice personal touch.

SUPERB...GLORIOUS!

The cake Laura made for our daughter's wedding was superb.... but then we knew it would be!

It looked beautiful perched on its table at the top of the stairs waiting to greet us as we entered the dining room. The cake is always an important part of the celebrations and this was glorious - thank you so much.

On Saturday everything came together perfectly, and we can't thank you enough for making a perfect day even more special.
